

There are a **number** of things you should know about teens and the road to becoming a safe driver.

Hours per week teens practice driving with a supervising adult*

Your teen doesn't just need routine driving practice on familiar routes. They need to practice driving in a variety of roadway environments under various weather and lighting conditions.

400%

Between the ages of 16 and 19, your teen is 4x more likely than older drivers to crash. CDC

2/3

Percentage of fatal teen crashes that are a result of distractions, speed or poor driving decisions — all coachable skills. IIHS

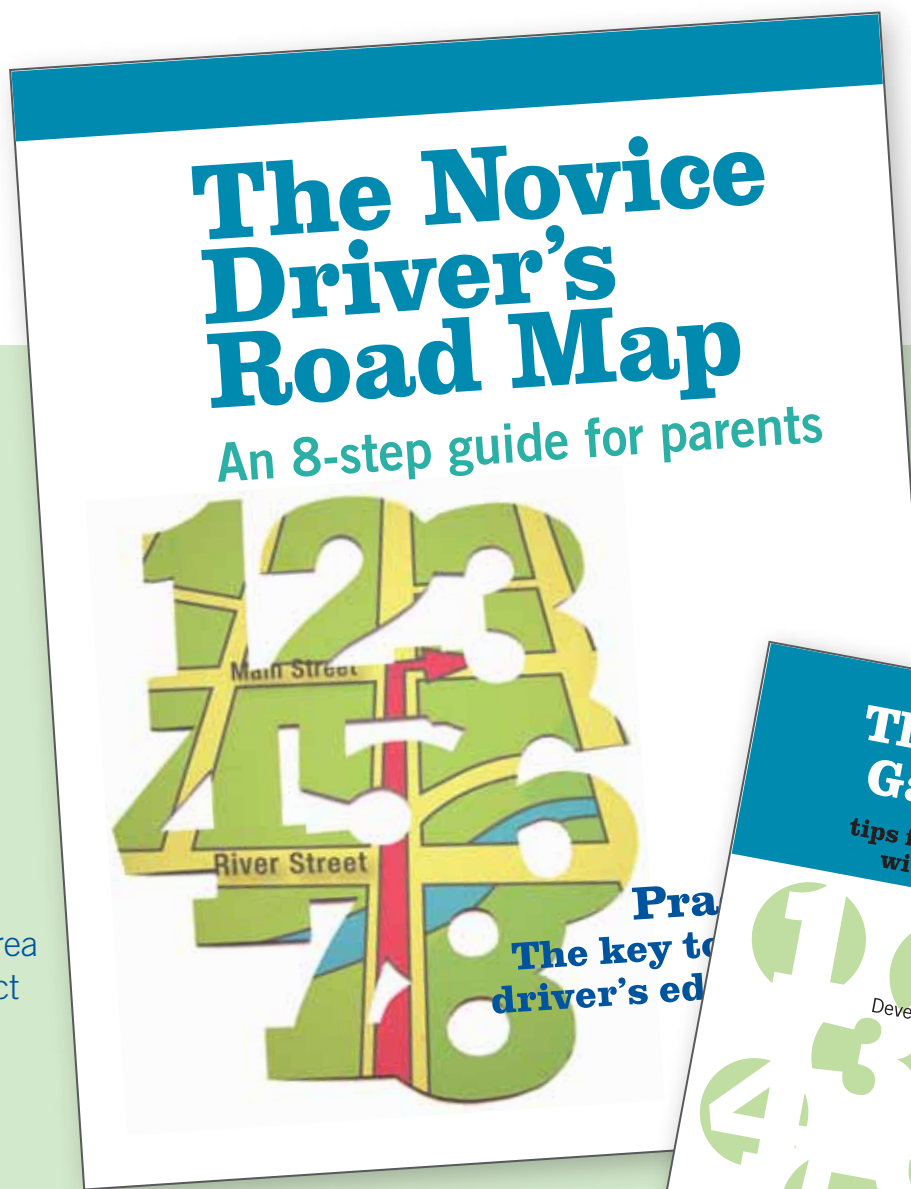

50

The number of states that have Graduated Driver Licensing (GDL) laws to address teen driving safety.

90%

Percentage of teens that say they have engaged in distracting behavior such as texting or talking on a cell phone while driving.*

* AAA Foundation for Traffic Safety

\$795 =

a safe driving head start for your teen and a little peace of mind for you.

includes shipping

The Novice Driver's Road Map was developed by the Network of Employers for Traffic Safety (NETS), a non-profit 501(C)3 organization. It has been extensively reviewed by driver trainer experts, corporate fleet safety managers and highway safety professionals as well as field tested with parents of novice drivers to ensure the material is accurate, easy to use and effective.
