ABOUT THE CONFERENCE

The NETS Strength IN Numbers® Fleet Safety Conference convenes safety, risk, and fleet leaders shaping road safety strategy and implementation.

To expand NETS' reach while preserving what makes our event unique, the 2026 conference will be co-located with the NSC Safety Congress & Expo – with our own dedicated agenda, registration, and exhibit space to ensure the intimate NETS experience remains unchanged.

2026 CONFERENCE AT-A-GLANCE

Event: NETS 2026 Strength IN Numbers® Fleet Safety Conference

Dates: Sept. 15–17, 2026

Location: Indianapolis, Indiana

Venue: Hyatt Regency

Co-Location: NSC Safety Congress & Expo (with NETS stand-alone program & exhibit space)

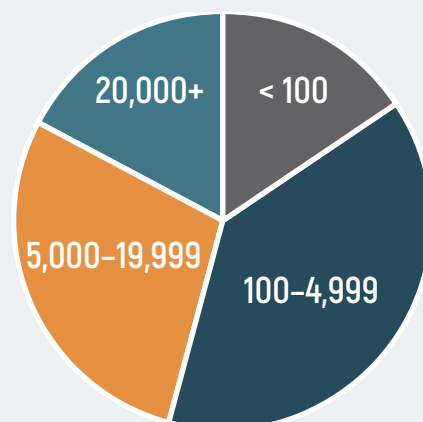

Format: Half-day sector meetings and Annual Road Safety Awards Dinner • Full conference day • Half-day close*

Sponsor Engagement: Exhibits are open during meals and generous breaks so sponsors can attend sessions alongside attendees while still benefiting from focused networking time.

*Subject to change pending agenda finalization.

2026 THOUGHT LEADERSHIP OPPORTUNITIES

Sponsor Presentations

Speaking opportunities at the NETS Strength IN Numbers® Conference are intentionally limited to ensure practical, case-study-driven learning for attendees.

- » Sponsored speaking opportunities are available **exclusively through the Platinum with Presentation package**.
- » Sponsored presentation slots are *not* awarded on a first-come, first-served basis.
- » All sponsor presentations must be delivered jointly with a NETS member and centered on a real-world case study. *Proposals without a confirmed NETS member partner will not be considered.* If you have a partner who is not a NETS member, incentives are available for them to join NETS prior to the conference. Contact NETS for details.
- » **30-minute general session including Q&A.**
- » Proposals are evaluated based on relevance, quality, and learning value – not sales content.
- » **Proposal deadline: April 1, 2026.**

Sector-Specific Presentations

Sector meetings offer sponsors a more flexible way to engage with peers who share similar operational road safety challenges. These sessions are designed for focused conversations within a specific industry sector.

- » **Available as a \$2,000 add-on for sponsors at all tiers**
- » Offered within four NETS Sector Groups: Insurance, Utility, Supply Chain/HGV, and Agriculture
- » Smaller, focused audiences (typically **15–40 participants**)
- » Proposal-based, with approval by the Sector Lead
- » Designed to be **educational and discussion-oriented**, rather than sales presentations
- » **Proposal deadline: June 1, 2026**

WHY SPONSORS RETURN

- » Direct access to safety, risk, and fleet decision-makers
- » Credible, peer-driven engagement
- » Alignment with a mission-driven road safety community

PARTNERING WITH NETS

Sponsors are integrated into the NETS community as contributors to peer learning, dialogue, and shared progress toward safer roads – not as traditional exhibitors. Sponsorship opportunities are designed to support visibility, relationship-building, and meaningful engagement.
